

VULTURE

KEY FEATURES:

- Patent Pending
- Articulating
- Realistic Size

APPLICATIONS:

- Deterrent for Vulture Roosting

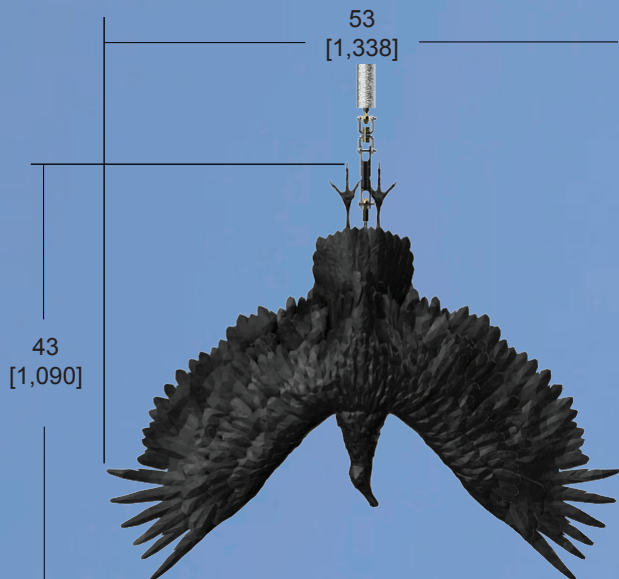

SPECIFICATIONS:

- Material: Impact Resistant Urethane Closed Cell Foam.
- Weight: 27 lbs.
- Dimension (H x W x D): 43 x 53 x 6.5 in
- Hanger is 70 in wide from mounting point.
- Swing Diameter: Approx. 88 in.

DRAWING:

- Dimensions in inches [mm]

For more detailed dimensional information, contact technical department at BDT

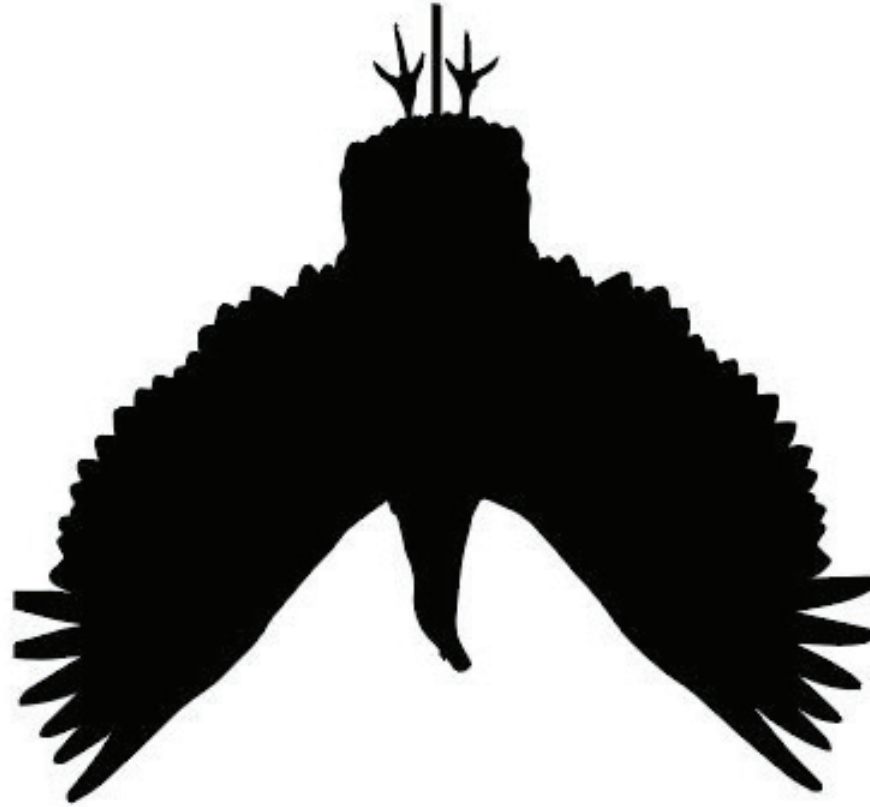

Unsightly vultures congregate on and around a cell tower site causing massive amounts of damage not only to the towers but to the surrounding communities, up a 25 mile radius. BDT's certified tower climbers will place an adequate number of vulture effigies on the site to mitigate the vulture roosting problem.
